Dear Sir,

Sub: Extra allocation of grant to Tagore Arts College
under RUSA – requested – reg.

We introduce ourselves that we represent the Tagore Arts College Alumni Association, who are the old students of the Pondicherry's premier institution, Tagore Arts College. The college that was established in 1961 and the foundation stone for the present college campus was laid by none other than Pandit Jawaharlal Nehru, first Prime Minister of India.

The college has produced more than 30,000 students who are now distributed to 44 different countries of the world and are very well placed.

At present the college accommodates most of the poor students from lower income groups and educates them keeping their bright future as target.

We understand that RUSA is a scheme under which colleges are provided with special funding for students development and infra-structure at the college.

Keeping in the above facts in mind, we request you to grant extra grants under RUSA to the college and financially help in the transformation of the college and its products to set world records as done in the past.

Thanking you,

Yours faithfully,

PRESIDENT
